

INTERNATIONAL SCIENTIFIC CONFERENCE
**INNOVATIVE TRENDS IN NATURAL SCIENCES:
SAVING THE PAST WE CREATE THE FUTURE**

Date: April 04, 2019, 09:00 AM

Location: Astana, L.N. Gumilyov Eurasian National University,
Auditorium of the First President of Kazakhstan

DIRECTIONS OF THE CONFERENCE

BIOLOGY

Molecular biology / Cell
biology / Genetics /
Immunology / Physiology /
Medicine

CHEMISTRY

Petrochemistry / Catalysis /
Synthesis / Technology/
Pharmaceuticals/ Quantum
chemistry/ Analytics

GEOGRAPHY

GIS / Mapping / Landscape
analysis / Toponymy / Social
geography

HYDROLOGY

Hydraulic structures /
Hydropower / Hydrogeology /
Hydrochemistry /
Hydrodynamics

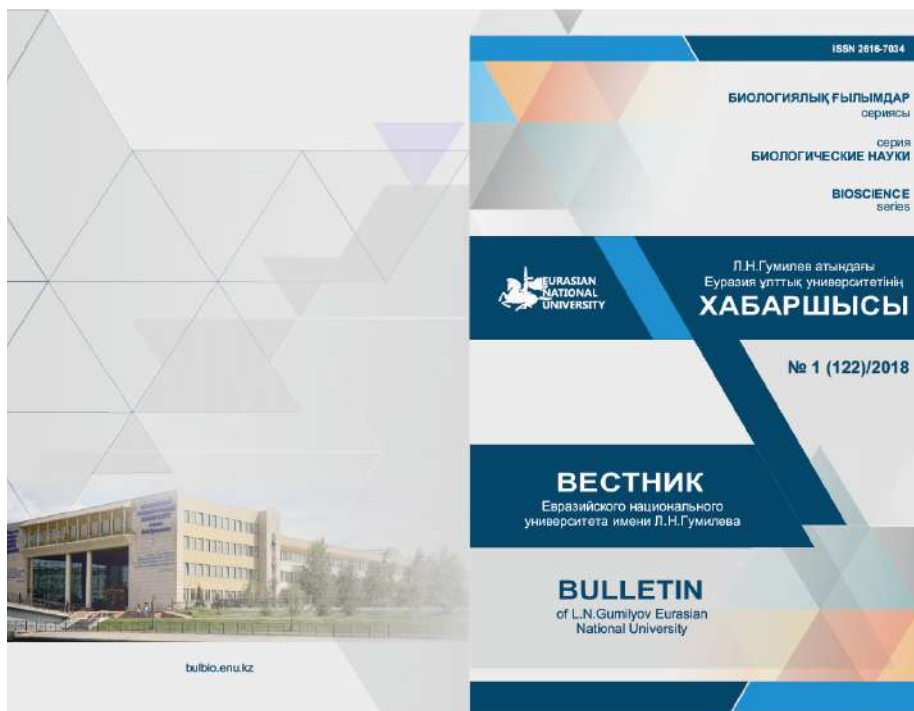

BIOTECHNOLOGY

Microbiology / Bio-engineering /
Genetic modification / Selection /
Ecobiotechnology / Biosynthesis

ECOLOGY

Environmental monitoring /
Biodiversity / Environmental
regulation / Waste management /
Natural resources

INFORMATION

ABOUT THE CONFERENCE

Students, undergraduates, doctoral students, University professors, scientists, employees of research institutions and administrative structures, whose activities are related to the topic of the conference, are invited to participate in the conference.

Prominent scientists and public figures of Kazakhstan and from abroad will take part in the conference with guest lectures.

By tradition, the conference is used as a recognized dialogue platform for the consideration of current scientific research in the field of natural science. Participation in the conference promotes constructive exchange of views on the most important scientific areas; presentation of own scientific achievements of young scientists; development of innovation, intellectual skills; popularization of science among young people.

Persons in charge:

Dean of the Faculty of Natural Sciences of L.N. Gumilyov ENU, Doctor of Medicine, Professor, Nelya Shapekova / +7(705)128-1890

Vice-Dean for scientific work - Candidate of chemical sciences, Ruslan Safarov / +7(705)464-3948

PUBLISHING

Materials of the Conference will be published in scientific journal "**Bulletin of L.N. Gumilyov Eurasian National University**". The journal has two series: "Bioscience series" and "Chemistry. Geography. Ecology series". The journal is recommended by Committee for the Control of Education and Science MES RK for publishing scientific results in the areas of biology and chemistry.

The requirements for the publication of the conference materials are the same as the requirements for publications in the Bulletin of L.N. Gumilyov ENU.

All materials will be reviewed by the editorial board of the journal.

The requirements for the publication are available on the sites:

Bioscience series:

<http://bulbio.enu.kz/>

Chemistry. Geography. Ecology series:

<http://bulchmed.enu.kz/>

Deadline for submission - April 2, 2019

Participation in the conference is free. Payment for publication is charged at the rate of the Bulletin of L.N. Gumilyov ENU. Travel and accommodation is paid by the participants themselves.

Please confirm your participation by e-mail ruslanbox@yandex.ru

In the application, please specify **Full Name, Place of work / study, City, Country, Title of the article** (if publication is expected).
